Searching

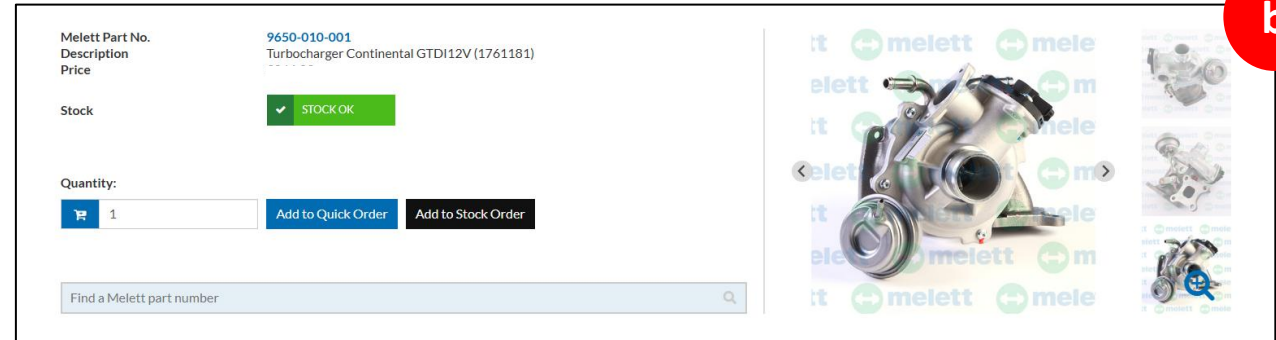

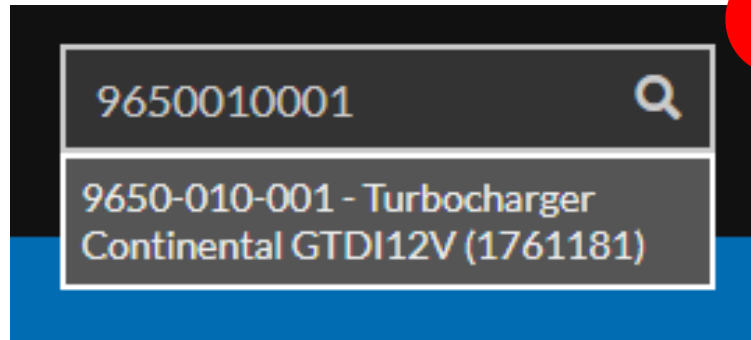

- You can search for parts in multiple ways

The screenshot displays the Melett website interface. At the top, the Melett logo is on the left, and navigation links for 'Logout', a UK flag, a shopping cart, and a search bar are on the right. The search bar is highlighted with a red box and the number 1. Below the navigation, a blue banner features the Melett logo and the BMTS Technology logo. A central text box announces 'Melett joins BMTS Technology' with a 'Read more here' button. Below the banner, the 'Product and Manufacturer Search' section contains three search panels. The first panel, 'Turbo Number & Keyword Search', has an input field for 'Enter Number' and a 'Search' button highlighted with a red box and the number 2. The second panel, 'Search by Vehicle Manufacturer', has a 'Select Manufacturer' dropdown and a 'Search' button highlighted with a red box and the number 3. The third panel, 'Parts Catalogue Search', has 'Select Manufacturer' and 'Select Component Type' dropdowns and a 'Search' button highlighted with a red box and the number 4. A 'Cookie Settings' button is visible in the bottom right corner.
